Re: Marching Band Season 2024

Dear Parents,

I hope this letter finds you well. Thank you for taking the time to read through this important letter. Although it seems early to be thinking about summer, the more time and information you have, the more outstanding the experience will be for our students.

To our 8<sup>th</sup> grade friends, as you begin to schedule your high school classes, your involvement in the Band program here at the high school begins as well. I hope the time that you spent with high school band members gave you an idea of what the high school band experience is like. We are all very excited to have you join us!

If you were unable to attend the Marching Band Orientation Meeting that took place on Thursday, February 15, this document should help provide some answers to your questions. If not, please do not hesitate to email.

The Marching Band is comprised of freshmen members of the Band Program, and committed upperclassmen. It is a great deal of fun as well as a bonding opportunity for all students. Incoming freshmen will meet the older kids and make new friends before the first day of school. A great deal of hard work and effort go into producing a well rehearsed performing ensemble, but if you have seen our past performances, you can tell that it is its own reward.

## Fenton High School Marching Band Season 2024 Initial Details:

- **Pre Camp is REQUIRED for all members and begins on Monday July 22 at 9 am - 12 am at FHS and runs until Wednesday, July 24th.** *Monday, only new members, drum majors and sectional leaders are required to attend. Tuesday and Wednesday the full band is required to attend.* This will help our new members get acclimated to this new and fun experience and help our returning members get back in the swing of things. This is also where students will receive school instruments, music, and other marching band accessories.

## BAND CAMP

**Adrian College** - 110 S Madison St, Adrian, MI 49221

- **Band Camp begins on Sunday, July 28, and ends Saturday, August 3.** (Sunday Afternoon – Saturday Noon). Camp will be held at Adrian College.
- **Please plan to arrive at the FHS AUX GYM SUNDAY AFTERNOON July 28, at 4:00 PM to drop off your students.** We will be taking Fenton School Buses to camp. **Students are to be picked-up by their parents following the 10:00 AM Saturday morning performance at Adrian College.**
- All students' **medications must be checked in and given to a chaperone** upon arrival at FHS. It must be labeled and in its original prescription bottle. This includes **all** medication. **BASIC OVER THE COUNTER MEDICATIONS (ibuprofen, etc.), WILL BE STOCKED AT CAMP AND ADMINISTERED ACCORDING TO PARENTAL PERMISSIONS GIVEN ON THE CAMP FORM.** Please contact me or Tisha Andrews (band camp coordinator) with any questions regarding distribution of medication.
- All students and staff will be staying **AT CAMP** in the college dorms. **Do Not Bring Unnecessary Valuables to camp.** Students will need very little money at camp. They may want to bring cash for the vending machines or for snacks. Additional details on what to bring to camp will be provided.
- **Proper apparel must be brought and worn at camp.** Gym shoes or cross-trainers are mandatory, no sandals, boots, flip-flops, heels on the field. Socks must be worn with your shoes, to prevent blisters. Shorts are a great idea, light pants are even better (sunburn), as well as white T-shirts, which will keep you cooler than a tank top or cutoff. A cap or hat is great to keep the sun off your face and chops.

Other good items include a Water Bottle, ChapStick, Sunscreen, Sunglasses, and Swimsuit. Ask an upperclassman at the meeting!

- If a band member becomes ill or injured during camp, his or her parents will be asked to take them home. While we will treat minor aches and pains (as well as medical emergencies), it is the responsibility of the parent to bring their child home if their condition becomes acute.
- **Instrument Repair**: PLEASE make sure that your students' instrument is in working condition at the end of the school year. There will NOT be an on-site instrument repair at camp. If your student's instrument is in need of repair during the week of camp, a parent will need to drive to Adrian College and get it repaired or the student will need to use it to the best of his/her ability for the remainder of the week. Check with Mr. Conaton at the end of the school year to make sure your instrument is in its best condition or to make arrangements for repair.
- The **end of camp Performance** will be on Saturday morning August 3rd (10am). All friends and family are encouraged to attend. This will also be the point at which the students need to be picked up, so come on out and enjoy their first show! Reminder: **Students will need a pair of clean, Solid Black Shorts** to wear in the final performance. They will be given a 2024 Band T-shirt for the show (included in the camp costs). **Shoes worn at camp ARE acceptable for this performance only.**
- Consider when you will be able to help chaperone at camp (**Parents of all marching band students are *highly* encouraged to commit to one shift of chaperone duties** during the week of camp). We can always use more adult eyes and ears! This is also a great time to let your kids know that you support them and the band and to see how hard they work. Please contact Tisha Andrews (Band Camp Coordinator) at 810-449-2944 or **bandcamp.fentonband@gmail.com** with questions.
- The total cost for the Marching Band Season is **\$450** (not including Marching Shoes) **for all members. New marchers and/or if you need to replace your marching shoes, cost is \$480.** This fee covers room and board at band camp, instructors, lanyards, flip folders, a camp T-shirt. The total payment can be made through EFunds and/or cash or check. Checks should be made out to **FENTON BAND BOOSTERS** and should be delivered to the black booster box in the band room by May 31st.

Reminder - The FHS Marching Band rehearses **ZERO HOUR, 6:30am – 7:25am** at FHS. Rehearsals are Monday – Friday through October, and are mandatory, as marching band is an academic class for which the students receive credit.

I am looking forward to this year with great excitement and enthusiasm and hope you all are too. As always, feel free to contact me if you have concerns.

Best Regards,
